B. ROYAL CORTISSOZ.

Help Asked for Woman more than anxity years of more than appears to keep the little home for them was the state of more than appearance of the thing has the state of the thing has a state of the thing has a time to the thing of the time and the time to the time to the time and the time to the time AN ENGAGEMENT.

An end Mrs. H. H. Vreeland, of 239 west 72d st., gave a dinner of forty covers last night at which the engagement was announced of their only didly. He had style—but not much it. Admirers once talked of his tillus. He has his admirers to this tillus. He has his admirers to this fulling to talk about his talent. Is turning from the American to the stirming from the transition is very ly made and next that the har. a turning from the American to the sagn paintings we realize in the place that the transition is very saly made, and next that the hardy made, and next that the hardy of all the schools here is due to the school here.

TWO PICTURES FROM THE ICHABOD T. WILLIAMS COLLECTION

an eight-page letter, written to Stevenson by George Meredith, on the receipt of a copy of "Beau Austin," dedicated to himself. The same buyers gave \$63 for another letter from Meredith to Stevenson, criticising Stevenson's "Prince Otto."

Measures Before Pennsyl-

Danbury. Miss Vreeland and Mr. Von way made, and next that the harway made, and next that the harway of all the schools here is due to the state. He was, like Cottier, a series is taste. He was, like Cottier, a month of the strong element in the collective is taste. He was, like Cottier, a month of the state is never a sharp, dazzling was like there is never a sharp, dazzling was left of the proposition of the strong or compared to the state constitution giving was like the shool of color on the all, there is never a sharp, dazzling was left of the work of workingpers" of Diaz, in which structure conded between the spectral control of the control was at hough by some process of the structure of
